# ProjectConnect News Update

22 February 2010

## This Fortnight's Topics

BHP Billiton's Macedon Project starts listing on ProjectConnect

Advertising Opportunities on ProjectConnect

CCI's Role of the Safety Committee Workshop

Graduate Recruitment - Invest In Your Industry's Future

## What's new on ProjectConnect

98 new members list on ProjectConnect in last fortnight.

Successful tenderer contact details have been provided for 36 awarded packages.

136 supply opportunities are about to close for full package registrations.

33 new full package supply opportunities were listed during the last fortnight.

## BHP Billiton's Macedon Project starts listing on ProjectConnect

We are pleased to announce BHP Billiton Petroleum's Macedon Project has started listing procurement opportunities on ProjectConnect.

To access the project's supply opportunities please enter the address [www.projectconnect.com.au](http://www.projectconnect.com.au) into your web browser and click on the Quick Find menu link for the Macedon Project.

Alternately, for subscribers to the Business Search package, please login to your ProjectConnect [Company Account](#) and utilise the Supply Opportunities search engine to locate and register against any new items listed on ProjectConnect.

## Advertising Opportunities on ProjectConnect

ProjectConnect offers cost effective advertising opportunities that target the key decision makers of multimillion dollar companies involved in major projects in our region.

Last month ProjectConnect had over 50,000 visitors. It has become the "must visit" website if you are buying or supplying goods and services to development projects.

A number of different advertising options with a range of prices are on offer and advertisers are provided with a report on their advertisement at the end of every month.

For more information, please refer to the Advertise section on the ProjectConnect website by [clicking here](#) or enter the address <http://www.projectconnect.com.au/Advertise.asp> into your web browser.

Best Regards,  
Chris Pretorius  
Manager - ProjectConnect

# Role of the Safety Committee

Maximise your effectiveness as a safety committee member by understanding your role as well as the function and purpose of the committee.

## Outcomes

This program will provide you with practical guidelines on how to make your role on the safety committee effective. Through an improved level of skills and knowledge, you will be able to interact more effectively and confidently as a member of the team.

## Content

- introduction to OSH legislation
- hazard identification, risk assessment and control
- functions of the safety committee
- functions of safety representatives
- operating an effective committee
- rules and procedures
- role of chairperson and secretary
- agendas and minutes
- practical applications

## Who should attend?

This course is designed for people on a safety committee. It is highly recommended that this course be run as a customised course.

**Duration:** 1 Day

**Dates:** 4 March 2010

**Course times:** 8.30am – 4.30pm (8.15am registration)

**Program fee:** \$429 members; \$580 non-members (*Prices include GST*)

Please refer to website for training cancellation conditions.

**TO REGISTER:** copy and paste the below address into your web browser.

<https://ebiz.cciwa.com/ebusiness/meetings/meetingdetail.aspx?ID=2968>

**For assistance please call the CCI Events Hotline on 08 9365 7500.**
