

ProjectConnect  
fast access to project opportunities

## How to register your company for a Supplier Directory

➡ Turn on your computer. To begin using the internet, click on either

- The Internet Explorer icon

- Or the Mozilla Firefox icon

➡ To access the ProjectConnect website type [www.projectconnect.com.au](http://www.projectconnect.com.au) into the address bar at the top of the browser.

**Note: If you are already logged into your account on ProjectConnect, please log off first before trying to register for a directory.**

➡ The screen below will appear. Click on the applicable directory in the "Supplier Directories" menu, or click on the Directories tab to see the directory list page and select the directory you are interest in.

The screenshot shows the ProjectConnect website interface. At the top, there is a navigation bar with the ProjectConnect logo and the tagline "fast access to project opportunities". The main navigation menu includes "Project Opportunities", "Supplier Directories", "Register your company", "Account Login", "Advertise", "Help", and "Other Opportunities...". The "Supplier Directories" menu is expanded, showing a list of directories: "Australian Metal Fabrication Directory", "Pillara Business Capability Register", "Kimberley Business Capability Register", "Western Australian ICT Industry Capability Directory", "Australia - New Zealand SKA Industry Capability Directory", and "Capability Directory". A red box highlights this menu, and a red arrow points to the "Western Australian ICT Industry Capability Directory" option. Below the navigation bar, there is a section titled "Link Buyers" and a "Current Opportunities" section. The "Current Opportunities" section has a "Directories" tab selected, which is circled in red. Below this tab, a list of directories is shown, with "Western Australian ICT Industry Capability Directory" circled in red. A red arrow points from the "Western Australian ICT Industry Capability Directory" option in the "Supplier Directories" menu to the circled option in the "Current Opportunities" section. To the right of the "Current Opportunities" section, there is a "View projects by state:" dropdown menu. Below the "Current Opportunities" section, there is a banner for the "Australian Metal Fabrication Directory" with the text "The Australian Metals Fabrication Directory profiles Australia's leading companies fabricating and supplying products to projects made from aluminum, steel or alloys." and logos for "HWE MAINTENANCE SERVICE", "Weldtronics", and "PRESS CONSTRUCTION GROUP LTD". On the right side of the page, there are several advertisements, including "Land Surveys located in Perth & Karratha" and "Web Design" services.

**NOTE: Before you can register interest in any supplier directory you will need to find and attach your company profile. The following page enables you to do so**

- You will be taken to the page below; at this point we need to ensure your company has a profile. Enter your company name in the textbox, you should also choose your company location to refine the search. Then click “Go”. For example we will use the profile of Industry Capability Network Western Australia. To search for it we will just enter “Industry Capability” into the “Company:” textbox. And use “WA” as the company location.

#### SEARCH COMPANY PROFILES

Company:  **Enter company name**

Company location:  **Choose company location**

- **Search Tip** – Use just part of your company name. E.g. To find “Industry Capability Network Western Australia” just enter the words “Industry Capability” or just “Industry” or “Capability”.

- **NOTE:** If you do not have a profile you are advised create one – please refer to **“How to create a profile in ProjectConnect”**.

- After clicking the “Go” button, you are shown a screen with the search results.

The screenshot shows the ProjectConnect search results page. At the top, there is a navigation bar with links: HOME, SEARCH DIRECTORY, LIST YOUR COMPANY ON DIRECTORY, YOUR COMPANY PROFILE, CONTACT US, and Other Opportunities... The main heading is "Search Database" with a search query of "projectconnect" and a "Refine Search" link. Below this, there is a table with the following data:

Organisation / Company	Trading Name	Address	Location	Select Profile
ProjectConnect	ProjectConnect	100 Ilay Street	WA	<a href="#">Use profile</a>

Annotations on the screenshot include:

- A red arrow pointing to the "Use profile" link in the table, with the text "Click here to use your profile".
- A red arrow pointing to the "Use profile" link, with the text "Alternatively, click here to create a new profile".

- **NOTE:** If your company is not listed, you may need to go back and re-enter your company name in the “Search Company Profiles” page again using a different combination of your company name. Alternatively, use the link “If your company is not listed, click here to continue” – this will give you the option of either continuing your registration without using a full company profile or creating a full company profile first, then completing your registration.
- If you found your company profile and clicked the “Use profile” button, you will be brought back to the project opportunities list. You must then fill out the information fields which can be found above the list. You will need to supply a contact name, position and an email address, as below.
- Next, chose which products/services that your company is able to supply.
